Dear Scott,

I wanted to tell you what a pleasure it is to work with you and your team at Global Compliance Group. Your professional knowledge, advices, and experience have been far beyond industry norms and even my own expectations. You helped us to get the ISO certifications in such short time, you have made this impossible job as told by other consultancy companies to be perfectly done!

It's a pleasure to work with a firm which not only understands and accommodates customer requests, but also adds value to them through build Integrated Management System.

I'm delighted with our Integrated Management System and see this as the start of a long-term to run business in Australia. Please allow me, on behalf of Sinopec International (Australia) Pty Ltd, to express our gratitude to Global Compliance Group.

Sincerely,
